Convenience and Necessity)

Application No. 18

Docket No. 31

On December 13, 1963, by Order No. 334, the Commission denied the application of Holiday Tours, Inc., for a certificate of public convenience and necessity. The applicant has filed an application for reconsideration and a motion for oral argument.

The Commission is of the opinion that it should grant the application for reconsideration, and will reconsider the application on the existing record.

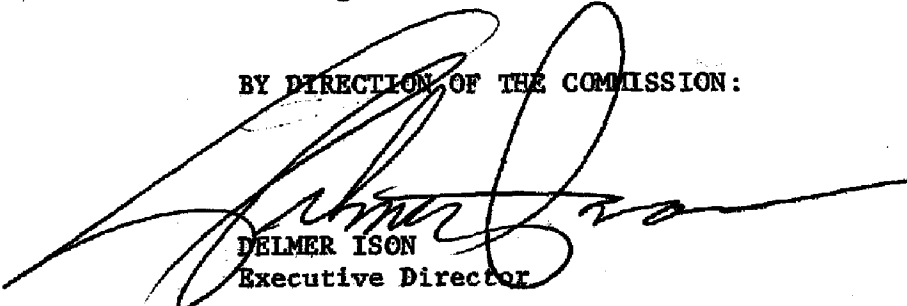

The Commission is of the further opinion that the applicant has adequately presented its positions and supporting arguments and, therefore, there is nothing to be gained from oral argument. Accordingly, the motion is denied.

THEREFORE, IT IS ORDERED:

1. That the application of Holiday Tours, Inc., for reconsideration of its Application No. 18 and the matters involved therein be, and it is hereby, granted and shall be considered on the existing record.

2. That the motion for oral argument be, and it is hereby, denied.
